JERRA P. HACKETT, CLERK  
U.S. DISTRICT COURT  
MIDDLE DISTRICT

Dear Sir,

I was sentenced to 100-months for Cocaine Base on July, 27, 2006. I filed a motion under title 18 U.S.C. § 3612 (C)(2) U.S. Sentencing guideline 1 b1.10 (C) for reduction of sentence Based on the 2007 guideline Amendment which became effective on Nov. 1, 2007 and caused a Two-level reduction in the Base offense level for Cocaine Base which went into affect on MAR. 3, 2008. I ask of you to have mercy on me in making your decision on my Behalf. Since my incarceration I have changed my life completely. I am glad you sentenced me to prison because this time away from my family have shown me that using drugs and selling drugs is not what God made me for. I am living my life for my wife and 8-Kids when I come home. I have been spending my time Rehabilitating my life By enrolling in classes that can help me before entering Back into society. I have a 21-month Clear Conduct record. I should be receiving my G.E.D. real soon. I am currently studying to Be a minister for God.

Mrs. Judge Coughler, I haven't seen my mother since my incarceration due to her health. I love and miss my family so much and they really need me home. I pray that you find it in your heart to make the right decision By granting me a sentence reduction that will allow me to come home early as possible.

Thanks for your time and may God continue to Bless you and your family.
